credenzas and storage

Bernhardt Design offers a variety of storage options in differing styles and functions within the credenzas and storage collection ranging from benches to server height credenzas to modular units assembled to create tall wall storage.

All the designs coordinate and complement the conference tables offered by Bernhardt Design. Available in the conference table wood veneer options of anigre, cherry, maple, oak or walnut, credenzas and storage incorporates details of both polished aluminum or matte anodized aluminum.

Approved for GSA Contract GS-28F-7040G

Specialty Credenzas

Specialty credenzas offer a high level of function for the use and storage of audio visual and refrigeration equipment. All specialty credenzas are standard with a dual Middle Atlantic cooling fan built into the back of the case. The thermostatically controlled fan ensures equipment and case are kept at the proper operating temperature. A removable back panel provides easy access to the components during the initial installation.

Middle Atlantic component rack systems are offered separately and provide access to the equipment from the front side of the credenza. Rack systems are specified separately and installed on site.

The 30" h specialty credenza will conceal a 1.7 cu. ft. refrigerator; the 36" h, a 2.5 cu. ft. refrigerator. Refrigerators for specialty credenzas are not available for purchase from Bernhardt Design. Refrigerators must be purchased separately.

View of back of specialty credenza with access panel, AV rack and thermostatically controlled exhaust fan.

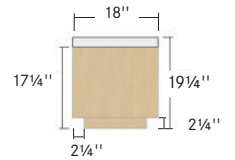

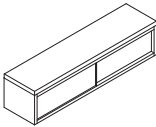

View of front of specialty credenza showing the pull-out and rotating AV component rack.

Finish Selections

A three character sku identifies the paint or finish on each species or the laminate/edge band selection available. Individual components are priced with standard finish or standard laminate with edge band.

A variety of standard laminates is available with vinyl edge bands specifically formulated to correspond to standard laminates. Additional laminates or edge bands may be available in combinations not listed as standard but are subject to upcharges and extended lead times. The laminate option is available on components where noted as an option in the series specification code. Listed are the standard laminates and edge bands.

Seven paint finishes are available on skus where noted as an option. Custom colors are subject to upcharges and extended lead times.

Special finishes on veneers, laminates or paints made to customer specifications are subject to factory approval and a 5% net upcharge with a \$500 net minimum.

Transparent stains and sealers are applied in multiple steps to enhance the beauty of the natural wood on veneer table tops. A durable UV topcoat is applied to protect the product. It is recommended that felt, cork or fabric backed desk pads and accessories are used on worksurfaces to minimize wear.

When specifying light finishes such as 836, 837, 840 or 850, the color and characteristic variances of both veneer and solid wood are apparent. Therefore, exact color matches are not possible.

Preferred Carrier Guaranteed Freight Rates

Freight charges will be applied to orders as a separate line item based on the zones listed.

The freight amount is calculated on the total merchandise net COM price, excluding any extra discounts beyond standard net pricing. Additional freight fuel surcharges may apply.

All orders are shipped by Bernhardt Design company trucks or preferred carriers specified by Bernhardt Design.

Rates are based on deliveries made Monday through Friday, 8 a.m. until 5 p.m. Dealer warehouse information, including phone number and contact name, must be specified on the purchase order. Direct site deliveries may be requested with an additional freight cost.

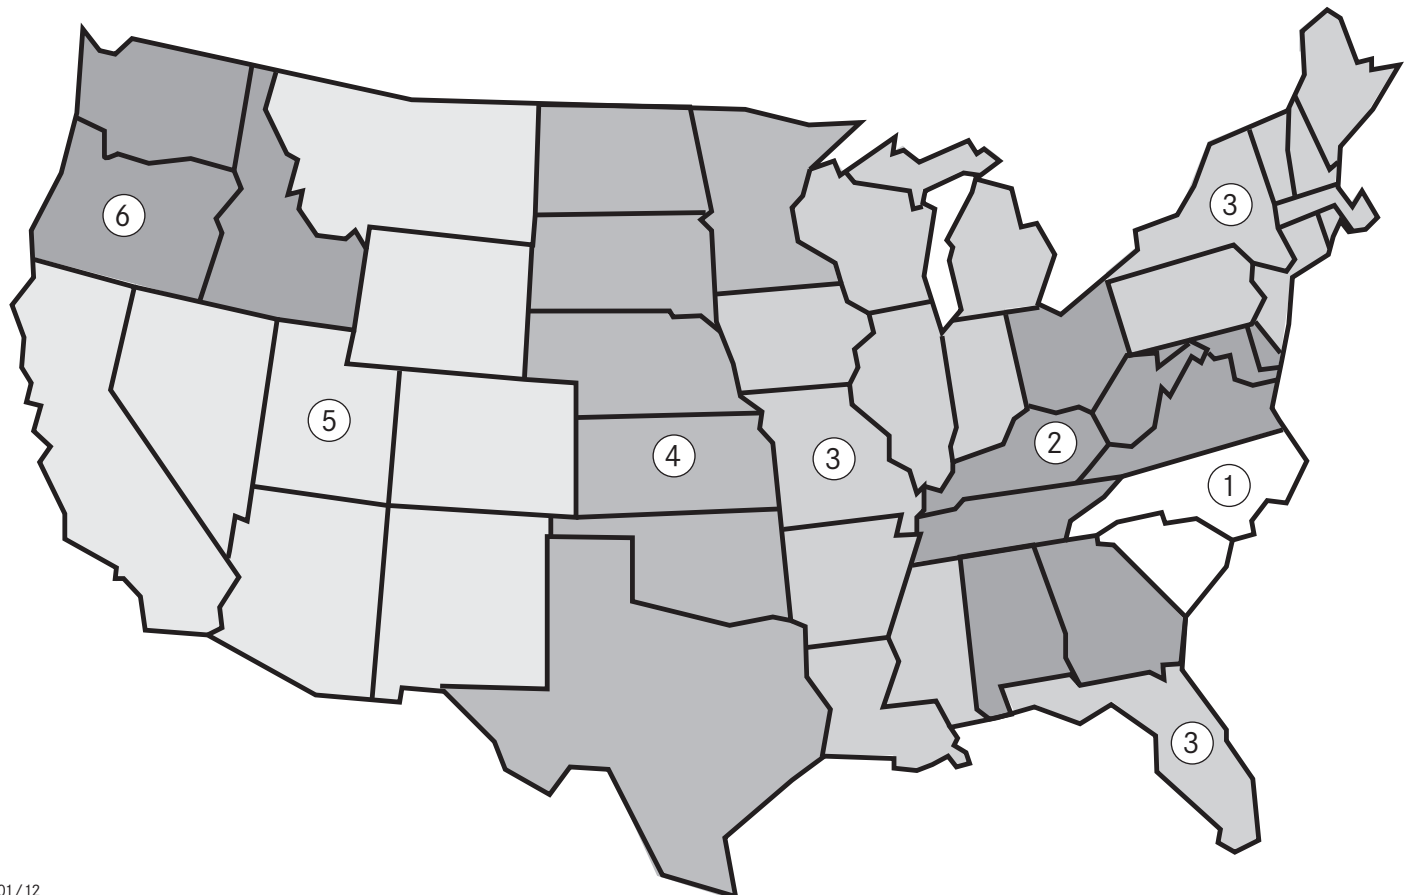

Bernhardt Design freight rates are based on the following zones with a minimum for each zone. All zones are within the Continental United States.

Bernhardt Design freight rates are based on the following zones with a minimum for each zone. All zones are within the Continental United States.

Zone	Minimum Charge	Freight Rate
1	\$90	7%

Prices and Terms

Prices and specifications are subject to change without notice. All prices quoted will be FOB our factories. Terms are net 30 days. A service charge of 1½% per month will be charged on all past due accounts.

Order Entry

All orders are subject to final acceptance by Bernhardt Design in Lenoir, NC. Receipt of our acknowledgment indicates acceptance of your order subject to the terms set forth on the acknowledgment.

Bernhardt Design attempts to clarify all purchase orders. However, in the event the price list number and description on the purchase order differ, the price list number will prevail.

Change Orders

All reasonable requests for changes to standard table orders will be honored if received in writing prior to the start of production. Custom design and special finish orders are not subject to revision after acknowledgment. Bernhardt Design reserves the right to charge for labor, materials and administration costs for all order changes.

Cancellations

All acknowledged orders are considered as firm orders and are not subject to cancellation.

Custom Design

Bernhardt Design may alter products to meet specific needs. Contact your local sales representative when a custom design is needed. Custom designs require minimum quantities, additional lead time and upcharges. A custom job number, available from your local sales representative, must be submitted with purchase orders. Orders combining custom design with standard product cannot be scheduled for production until custom items are approved.

Shipping

Bernhardt Design will ship in accordance with customer instructions whenever possible. If not specified, Bernhardt Design will exercise its best judgement in selecting a carrier. Orders in production will be shipped as scheduled and cannot be held. High quality cartoning which meets trucking

and railroad specifications is standard at no extra charge.

Storage

If a customer is unable to accept an order when it is ready for shipment, storage may be requested. Acceptance of storage will be at the discretion of Bernhardt Design. All costs including transportation will be at customer expense. A storage charge of 1½% of the invoice will be assessed for every 30 days, or any part thereof, that merchandise remains in storage.

Bernhardt Design considers transfer to storage the equivalent of delivery. This includes invoicing and payment. Customers will bear all risk of damage or loss during storage.

Freight Damage and Claims

Bernhardt Design is not liable for damages that occur during transit or storage. The carrier assumes all responsibility upon acceptance of product. It is the customer's responsibility to inspect all products upon receipt and file any claims with the carrier. No product should be refused. If products are received damaged, a written exception should be made on the bill of lading and an immediate inspection be requested of the carrier. Concealed damage must be reported to the carrier within 15 days of receipt. Failure to make claims shall constitute acceptance of the products and waiver any claims of defects, errors or shortages.

In the event delivery is made on a Bernhardt Design truck, the products should be carefully inspected for transit damage. If contents are damaged, the driver should be notified to call his dispatcher for immediate disposition. Concealed damage must be reported within 15 days of receipt and product/ packaging held for inspection by a Bernhardt Design representative. Replacements for product damaged in shipment or storage will be manufactured upon receipt of a purchase order.

Returns

No merchandise may be returned to Bernhardt Design without written consent in the form of a Return Authorization from our Quality Assurance Department stating why the item is being returned and how the item will be shipped.

In the event a return is authorized by

Bernhardt Design for reasons other than damage or defect, the customer shall be responsible for a 25% restocking fee, as well as a double freight charge.

Unauthorized returns will be automatically refused by our receiving department as well as returns not in accordance with Bernhardt Design shipping instructions. Liability for defective merchandise shall be limited to the replacement or repair of that merchandise, and Bernhardt Design shall not be liable for other damages or losses.

Measurements and Weights

All measurements and weights are approximate and subject to change without notice.

Care and Cleaning

Finished wood surfaces should be cleaned with a soft damp cloth, wiping in the direction of the grain. Dry with a soft cloth, wiping in the grain direction. Do not use waxes or furniture polish, as these will cause a film build-up.

Wood Finishes

Bernhardt Design tables are available in standard finishes compatible with casegoods and seating finishes. However, finishes on tables may vary slightly from those on casegoods and seating due to the natural characteristics of the wood. No absolute match is implied or guaranteed.

Light Finishes

Bernhardt Design offers lighter finishes 836, 837, 840, and 850. Light finishes do not hide or mask the natural characteristics of the wood. It is important that the dealer and customer understand that inherent natural characteristics of the wood will vary from piece to piece when using a light finish. Natural characteristics include the natural discolorations of the wood substance and color variations in glued up stock.

These natural characteristics are not considered defects by Bernhardt Design, and therefore merchandise will not be replaced because of these natural characteristics.

Special Finishes

Special finishes, made to customer specifications and subject to factory approval, may be available at a **5% net upcharge with a \$500 net minimum**. Additional leadtime may be required for special finish items. Special finish orders will not be acknowledged until the special finish sample is approved in writing and received by Bernhardt Design Customer Service. Special finish orders are not subject to revision or cancellation after acknowledgment.

Warranty

Bernhardt Design will repair or replace, at its discretion and without charge to the original purchaser, any table product or part thereof which fails as the result of defects in material and workmanship, under single shift use and normal care, for five years from date of shipment.

This warranty does not cover misuse or abuse of product, dramatic temperature changes, exposure to unusual conditions, or damages incurred by contact with seating products.

Repair or replacement of discontinued product will be at the discretion of Bernhardt Design.

Natural color changes, variations or movements in lumber or veneer products, exposure to extreme temperature changes and direct sunlight may cause color changes and/or surface damage. These are circumstances beyond the control of Bernhardt Design and are not warranty issues.

Drawer glides, drawer boxes, drawer pulls, and locking mechanisms have a Life-Time Warranty for the original purchaser. Power or communications components are warranted for one (1) year.

This warranty is the customer's exclusive remedy for product defect and does not apply to damage caused by a carrier, dealer, installer, user modification, or attachments to a product.

Bernhardt Design has the exclusive right to make the final determination of product misuse or abuse. Except as stated above, Bernhardt Design makes no express or implied warranties as to any product, and in particular, makes no warranty of merchantability or of fitness for any particular purpose.

Bernhardt Design shall not be liable for any consequential or incidental damages or for commercial loss arising from any product defect. The Bernhardt Design customer is the dealer. All complaints must be resolved through the dealer from which the furniture was purchased. To obtain warranty service the dealer must supply dated proof of purchase. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply.

Design and Patent Rights All of the products shown in Bernhardt Design catalogs and described in Bernhardt Design price lists are, and remain, the property of Bernhardt Design, with the sole right reserved to manufacture and to distribute.

Some of the product designs shown are patented in the United States and will remain the property of Bernhardt Design. Any reproduction of the products constitutes an infringement of patented copyright laws and will be subject to prosecution.

Bernhardt Design reserves the right to make changes in dimensions, design and/or construction, price lists, or product literature without prior notice.

General Services Administration

Products available on the Bernhardt Design GSA - Federal Supply Service Contract GS-28F-7040G are noted in the product descriptions.
