Finish Selections

A three character sku identifies the finish on each species or the laminate selection. Individual components are priced with standard finish or standard laminate.

A variety of standard laminate finishes are available. Additional laminate colors may be available but are subject to upcharges and extended lead times. The laminate option is available on components where noted as an option in the series specification code. Listed are the standard laminates.

Special finishes on veneers made to customer specifications are subject to factory approval and a 5% net upcharge with a \$500 net minimum.

Transparent stains and sealers are applied in multiple steps to enhance the beauty of the natural wood. A durable, baked-on, top-coat of conversion varnish or UV topcoat is applied to protect the product. It is recommended that felt, cork or fabric backed desk pads and accessories are used on worksurfaces to minimize wear.

When specifying light finishes such as 836, 837, 840 or 850, the color and characteristic variances of both veneer and solid wood are apparent. Therefore, exact color matches are not possible.

Care and Cleaning

Finished wood surfaces should be cleaned with a soft damp cloth, wiping in the direction of the grain. Dry with a soft cloth, wiping in the grain direction. Do not use waxes or furniture polish, as these will cause a film build-up.

Wood Finishes

Bernhardt Design tables are available in standard finishes compatible with casegoods and seating finishes. However, finishes on tables may vary slightly from those on casegoods and seating due to the natural characteristics of the wood. No absolute match is implied or guaranteed.

Light Finishes

Bernhardt Design offers lighter finishes 836, 837, 840, and 850. Light finishes do not hide or mask the natural characteristics of the wood. It is important that the dealer and customer understand that inherent natural characteristics of the wood will vary from piece to piece when using a light finish. Natural characteristics include the natural discolorations of the wood substance and color variations in glued up stock.

These natural characteristics are not considered defects by Bernhardt Design, and therefore merchandise will not be replaced because of these natural characteristics.

Special Finishes

Special finishes, made to customer specifications and subject to factory approval, may be available at a **5% net upcharge with a \$500 net minimum**. Additional leadtime may be required for special finish items. Special finish orders will not be acknowledged until the special finish sample is approved in writing and received by Bernhardt Design Customer Service. Special finish orders are not subject to revision or cancellation after acknowledgment.

Warranty

Bernhardt Design will repair or replace, at its discretion and without charge to the original purchaser, any table product or part thereof which fails as the result of defects in material and workmanship, under single shift use and normal care, for five years from date of shipment.

This warranty does not cover misuse or abuse of product, dramatic temperature changes, exposure to unusual conditions, or damages incurred by contact with seating products.

Repair or replacement of discontinued product will be at the discretion of Bernhardt Design.

Natural color changes, variations or movements in lumber or veneer products, exposure to extreme temperature changes and direct sunlight may cause color changes and/or surface damage. These are circumstances beyond the control of Bernhardt Design and are not warranty issues.

Drawer glides, drawer boxes, drawer pulls, and locking mechanisms have a Life-Time Warranty for the original purchaser. Power or communications components are warranted for one (1) year.

This warranty is the customer's exclusive remedy for product defect and does not apply to damage caused by a carrier, dealer, installer, user modification, or attachments to a product.

Bernhardt Design has the exclusive right to make the final determination of product misuse or abuse. Except as stated above, Bernhardt Design makes no express or implied warranties as to any product, and in particular, makes no warranty of merchantability or of fitness for any particular purpose.

Bernhardt Design shall not be liable for any consequential or incidental damages or for commercial loss arising from any product defect. The Bernhardt Design customer is the dealer. All complaints must be resolved through the dealer from which the furniture was purchased. To obtain warranty service the dealer must supply dated proof of purchase. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply.
