

**Standard Features**

Vero tables feature a 5/8" (16mm) thick standard leaded glass top with a flat polished edge. The table frame is constructed of 1 1/2" (38mm) wide, 3/8" (10mm) thick polished chrome-plated steel with a protective clear coat. Urethane bumpers protect the glass and prevent movement.

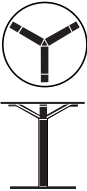

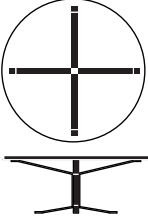

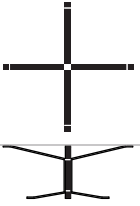

The Vero table top and base are packed separately in the same carton.
