

Standard Features

Divide wood tops are 7/8" (22mm) thick anigre with a flat edge. Glass tops are standard leaded, 3/8" (16mm) thick with a flat polished edge. Both wood and glass tops are supported by 1/2" (13mm) brushed aluminum risers. All Divide tables have a brushed aluminum detail applied vertically.

The Divide table top and base are packed separately in the same carton.

Finish Selection

When specifying light finishes such as 836, 840, and 850 the color and characteristic variances of both veneer and solid wood are apparent. Therefore, exact color matches are not possible.
