

**Standard Features**

The 19" and 21" diameter Echelon occasional tables are cylindrical forms with a curved open rail base and a cantilevered top.

The 38" Echelon is a circular drum table with a 3/4" riser.

The Echelon table is shipped assembled.

**Finish Selection**

When specifying light finishes such as 836, 837, 840, or 850 the color and characteristic variances of both veneer and solid wood are apparent. Therefore, exact color matches are not possible.
