

**Standard Features**

Martini table tops are available in 1/4" (6mm) brushed aluminum or 3/8" (10mm) 3-ply maple veneer construction. All Martini table tops have a 3/8" (10mm) solid maple rim. When ordering metal tops, a wood finish must be specified for the maple rim. Columns are 1 1/2" (29mm) or 3" (76mm) diameter aluminum on a 1 3/4" (349mm) round aluminum base.

Martini tables are shipped fully assembled.

Order Code - E  
Quarter Cut, Slip Matched

**Finish Selection**

When specifying light finishes such as 836, 837, 840, and 850 the color and characteristic variances of both veneer and solid wood are apparent. Therefore, exact color matches are not possible.
